Committee Member, help us keep the momentum going in 2017!

Let's Keep the Momentum Going!

Dear Committee Member,

After President Donald Trump's stunning election victory and record numbers across the Town of Islip, I am happy to report we are entering the 2017 election year with tremendous momentum leading up to our Town and County races this year!

I would therefore invite you to join us for the **2017 Campaign Kickoff event for Councilwoman Trish Bergin-Weichbrodt**.

Trish was elected in 2009, a time -- I'm sure you remember well -- where the Democrats controlled nearly every elected position across Islip Town. Thanks to your hard work, we won big that year which has helped to propel us to where we are today.

This year your support is **even more critical** to ensure that Supervisor Angie Carpenter continues to have a strong Republican majority, to keep delivering results for Islip taxpayers.

Below, please find the details for her upcoming event on **February 16th from 6-8pm at Shandon Court in East Islip** at the special Committee Member price
